Attention: Mrs. Marie Hoover

Dear Mrs. Hoover,

**Subject: SPC HUNT FORREST EDGAR III**

SPC Hunt is currently deployed into the CENTCOM Area of Operations in support of Operation Iraqi Freedom and is scheduled to return by May 2005, unless extended by the authority of the Secretary of Defense, which could extend his deployment up to 24 months from his departure date. SPC Hunt deployed with the 216<sup>th</sup> Engineer Battalion (Combat Heavy), as a member of A Co 216<sup>th</sup> along with over 650 of his fellow soldiers. I have included the First Army mobilization order 324-1 that identifies the 216<sup>th</sup> on the 3<sup>rd</sup> page of the total 7 page document. I have also included the FORSCOM order 488-04, which identifies the 216<sup>th</sup> on page 2 of the 4 page document.

I understand that you already have his individual mobilization order, and find it hard to believe that that document alone was not sufficient.

It is unlikely that he will be available to participate in any scheduled legal activites during this time. The communication ability of his unit is sporadic at best.

If you have any questions you may contact me at 614/336-6154 or via email at [Ronald.carroll@oh.ngb.army.mil](mailto:Ronald.carroll@oh.ngb.army.mil)

Respectfully,

  
Ron Carroll  
Major
